Nina was one of the very first 'plus size' models in the UK, and has now worked as a curve ambassador for over 20 years. Her work has taken her travelling all over the world. Nina is confident in front of the camera in both modelling and presenting.

She is capable of photographic and catwalk work, live and recorded TV presenting, and also able to produce voice-overs.

Nina is a constant professional, enjoys a challenge and is always excited to be involved with new projects. ...
