BELLA P

HEIGHT: 99cm

AGE: 5

DIS/DIFF: Bella was born with microphthalmia

Bella is a happy, smiley child who is always full of happiness and laughter. Bella enjoys singing and dancing. Bella was born with microphthalmia, which was a birth defect which cause her right eye to stop developing, this was not known until the day after she was born. Her right eye is very small only a few millimetres big, she has no vision in this eye. Bella wears a prosthetic eye.
